William Shakespeare

Some people put a summary here. Note: there are many \LaTeX variables you can set in the preamble to change the look of the CV.

Work Experience

1593–1609 Wrote and produced plays for the Queen, and then for the King. He really liked them a lot, but they reminded him of plays by this guy, the Earl of Oxford.

You can have several paragraphs in the same topic entry

Education

1577–78 My Dad taught me stuff.

April to May 1581

Tried high school. Hated my English teacher. [note how a line-break is inserted if your subtitle is too long]

Publications

[1] First Folio. Me. 1623.

[2] These references could have been entered via Bib \TeX . . . In any case, here I can cite my work of [1].
